The address listed will be the address used for semen shipments, if you change vet clinics or the address listed is not correct you are responsible to notify Running F Quarter Horses of this change.

This service is subject to the following:

1. Mare shall be in a healthy and sound breeding condition and the mare must have a negative culture prior to first shipment. Any mare certified by the attending veterinarian to not be in sound breeding condition shall not be bred and a mare may be substituted at no additional charge. In the case that the listed mare dies, a new mare owned by the contracted party may also be substituted at no additional charge.
2. If the mare aborts or fails to conceive, rebreed privileges will be available.
3. Rebreed Privileges are for the following year only. Rebreed contracts are NOT eligible for rebreed privileges or live foal guarantees. In no scenario will the breeding fee be refunded. If the Mare Owner fails to rebreed the following year, then any and all fees paid shall be forfeited, the right to rebreed is canceled and Running F Quarter Horses and the stallion owner are released from all obligations of this contract.
4. All Rebreds are subject to a \$550 fee.
5. This contract is valid for the 2026 breeding season only. Mare Owners may not purchase this contract with the intent to use in a subsequent season. In the event of this contract being paid in full, and the mare never being bred, this shall become a rebreed for the following season ONLY. A rebreed fee will be due at that time, and any difference in Stallion Fee is payable to the Stallion Owner.
6. Live Foal Guarantee: Shall pertain to mares that are pronounced Safe In Foal by a Veterinarian within 90 days after the last breeding date. A live foal is defined as one that will stand and nurse. If the foal dies at birth, Mare Owner agrees to furnish Running F Quarter Horses within 7 days, a veterinarian's certificate describing the occurrence. If the mare does not produce a live foal the first breeding season, the mare owner is entitled to a rebreed the following year. All third year rebreds are at the sole discretion of the stallion owner, and not guaranteed.
7. Contract owners are responsible for confirming eligibility of stallions with each incentive program directly, if you have questions on offspring eligibility.

Stallion: KS Cash N Fame \$2500

Balance owed at time of first shipment \$_____

A \$550 Non-refundable booking fee is due with a signed contract; the remaining balance will be owed at the time of the first shipment.

8. This contract is a binding agreement between Running F Quarter Horses, Stallion Owner, and Mare Owner and is non- transferable unless otherwise agreed to, stated in writing, and signed by all parties.
9. If the above named stallion dies or becomes unfit for service for any reason, then this contract will be null and void and both parties are relieved of any further obligation. Any monies paid by the Mare Owner

toward the Breeding Fee, with the exception of the non-refundable Booking Fee, shall be refunded at the sole discretion of the STALLION OWNER.

10. This contract once paid in full allows you to use up to 3 breeding doses of frozen semen, at no additional fee aside from shipping (\$450 per shipment) the first year. If the mare does not settle after two doses have been used additional frozen semen can be purchased for \$350.00 (charged per dose). Frozen semen shipments are on a first come first serve basis. We will ship out frozen semen as we have shippers available and make no guarantees on availability. Once contract has been paid, please have your vet coordinate your frozen semen shipment. We will not send frozen out until it has been ordered by your veterinarian. Each shipment contains ONE breeding dose. IF cooled semen becomes available, we will let you know at the time of ordering.

11. Mares on the premises of Running F Quarter Horses have breeding priority on any given day, therefore, we make no guarantee cooled semen will be available for any specific day. In the event of insufficient semen on a particular breeding day, Running F Quarter Horses will ship on a first ordered, first served basis. So be sure to get on the list early.

12. Mare Owners requesting shipped semen should expect to receive only one dose of semen.

13. Running F Quarter Horses only assumes responsibility to ship semen in viable condition and shall not be held liable for contamination of semen during and after shipment, loss of viability, or any costs arising from shipments delayed, damaged, or lost in transit. Running F Quarter Horses does not guarantee fertility of any stallion but agrees to process each ejaculate to optimize 24-hour post cool motility and subsequent fertility. Every effort should be made to inseminate the mare within 24 hours after collection from the Stallion. Mare Owner agrees to use all cooled semen provided by this Agreement for only the mare named in this Agreement and no other.

14. The Mare Owner or attending veterinarian must give a minimum of a 24-hour advance notice to Running F Quarter Horses prior to shipment. All shipment requests must be canceled by 7:00 am (PST) the day of the shipment. If you fail to cancel, the shipment will be considered CONFIRMED, and processed/charged accordingly.

15. Shipment requests must be called in to Running F Quarter Horses 831-524-03245. No fax, email, Facebook message or any other type of request will be accepted

16. A Breeder's Certificate will be issued by the stallion owner directly for the foal when the mare has produced a live foal from this breeding and all expenses have been paid in full.

17. Embryo Transfers: Mare Owner agrees to notify Running F Quarter Horses if this is an embryo transfer mare. In the event of multiple embryos from a single flush, the Mare Owner agrees to notify Running F Quarter Horses once the additional recipient mares have been confirmed in foal with a heartbeat present. The Mare Owner must then pay a Stallion Fee equal to the original Stallion Fee for

each additional live foal. The additional Stallion Fee is due upon confirmation of heartbeat in the recipient mare.

18. The Mare Owner agrees that nothing shall be posted or shared via social media that could be negatively construed regarding Running F Quarter Horses, Stallion Owner, nor any of its employees, associates or affiliates. Failure to do so may result in legal action regarding the content and damages associated from such action. Furthermore, Running F Quarter Horses reserves the right to void this contract in the event this Agreement is breached. Any offending Mare Owner shall immediately forfeit any fees, payments or right to a rebreed
